

Remarks:

The preliminary amendment is being filed in an effort to present an application in proper U.S. format and to present claims in U.S. claim idiom for examination.

The newly entered claims are fully supported in the original claims filed in the international application and the amended claims submitted on July 15, 2004, and appended to the International Preliminary Examination Report.

An early action on the merits is requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'LA', is written over a horizontal line. The signature is fluid and cursive.
